# New Testament Reading Plan Oct - Dec

The reading plan for this quarter will take us through a chronological narrative of the life of Christ and the 1st century church in the New Testament. We will be reading 3-4 chapters most days as well as a daily Proverb.

While you are reading, don't miss the opportunity to stop and listen to what the Lord is saying when you feel a passage is speaking to you. After all, reading scripture is about spending time hearing the Word of God and letting it change your life.
